Dear Parent/Guardian:

Your daughter/son _____ has been chosen to participate in a mentoring program that will focus on improving social skills (e.g., self-esteem, getting along with others, dealing with conflict, etc.). The mentorship program will also cover leadership skills to help ensure school success.

The mentors will meet once a month for approximately 30 minutes. Your child will meet with the mentors and will learn ways to communicate and interact with others more effectively and identify the characteristics of a leader.

If you have any questions or concerns, I can be reached at (754) 322-4000 on Monday to Friday at the school.
